

**BARGAINING REPORT #6**  
**BELL TECHNICAL SOLUTIONS**

*June 8, 2009*

Sisters and Brothers,

We have now been bargaining with the employer for 10 days straight, dealing specifically with the Union's non-monetary demands, along with the company's demands, some of which your Committee have determined to still be concessionary. We continue to move towards the goal of removing these concessions and we are working hard to achieve an agreement that the membership deserves.

We have moved beyond the planned deadline, and now have dates set with the employer that will take us through until Wednesday, June 10<sup>th</sup> 2009, at which time we will decide our next course of action.

*In solidarity,  
Your Bargaining Committee*
