

BARGAINING REPORT #7
BELL TECHNICAL SOLUTIONS

June 12, 2009

Sisters and Brothers,

This is a brief report to advise the members that the bargaining committee is continuing to work towards a settlement on all of the outstanding issues and hopefully to reach a tentative agreement with BTS.

We feel that bargaining is moving at a pace that justifies our continued working towards a deal.

We are hopeful that we will have more information to report in a short while.

The bargaining committee appreciates your patience and support.

In solidarity,
Your Bargaining Committee

Jim Fling, Shawn Cowan, Sam Snyders, Sean Howes
